

Japanese Language Course- Part 2

28 July – 24 November 2015

Course Fee: R5 300 per delegate (Vat inclusive)

Introduction

This course develops the delegates' ability and confidence in basic Japanese communication in everyday environments, focusing on the practical use of the language and culture awareness. The course focuses on both the traditional and contemporary aspects of the Japanese culture and society.

Various materials (video, quiz etc.) and activities will also be used to introduce the important forms of the Japanese Language. It will highlight the difference between formal and informal ways of speech.

Students will develop communication skills in speaking, listening, reading and writing.

Learning Outcomes:

Topics:

- Talking about weekend
- Like and Dislike
- Making a polite request
- Asking / Describing directions
- Describing somebody

Grammar:

- Adjectives
- Verb: TE-form
- Short form
- Informal speech

Culture:

- Introducing traditional and contemporary culture (festivals, foods etc.)

Who Should Enrol?

Delegates who finished Module 1 or know very basic Japanese. Participants in the JET programme and students participating in an exchange programme.

Contact Session

Contact sessions will take place on Tuesday evenings; 18:00 – 20:00.

PLEASE NOTE:

Customisation of content can be done according to a specific corporate client's needs.
