

The Government of Japan provides grant assistance to two organisations in Gauteng and Limpopo

On 15 March 2024, Mr USHIO Shigeru, Ambassador of Japan to the Republic of South Africa, signed grant contracts with representatives of the following two organisations in Gauteng and Limpopo to implement The Grant Assistance for the Grassroots Human Security Projects (GGP).

Recipient Organisation's Name: PinkDrive

Project Title: The Project for the Provision of Medical Equipment for Mobile Cancer Screening, Gauteng (USD 118,912) ※

(※Fuji Film's 3D Mammography Machine will be provided.)

Recipient Organisation's Name: Makgaung Primary School

Project Title: The Project for the Construction of a Block of Three Classrooms for Makgaung Primary School in Limpopo (USD 52,518)

The total approved amount to be provided by the Government of Japan through the Embassy of Japan is USD 171,430.

GGP is a Japanese funding scheme that was started in 1989. It assists non-profit organisations with a direct impact on the well-being of people at grassroots level. It gives priority to areas that aim to improve basic human needs, as well as areas of particular importance from the perspective of human security. Since its inception, more than 600 projects have been implemented in South Africa.

The Embassy of Japan hopes this support will help to achieve social and economic well-being for the people of Gauteng and Limpopo.
