

Building Classrooms in Lesotho

The Government of Japan provides grant assistance to Sacred Heart High School

LERIBE, 20 January 2026 – The Embassy of Japan in the Kingdom of Lesotho signed a grant contract with Sacred Heart High School in Maputsoe, Leribe, under the Grant Assistance for Grassroots Human Security Projects (GGP) Programme. This grant aims to address the challenge of overcrowding in classrooms.

Recipient organisation: Sacred Heart High School

Project title: The Project for the Construction of Classrooms at Sacred Heart High School, Leribe

Amount: USD130 265

The GGP Programme is a Japanese funding scheme established in 1989 to support non-profit organisations that directly improve the well-being of individuals at the grassroots level. It prioritizes initiatives that improve basic human needs and address key human security priorities. Since its inception, the GGP Programme has implemented approximately ninety education or health-related projects in the Kingdom of Lesotho.

The Embassy of Japan hopes that this support will contribute to the social and economic well-being of the people of Leribe.
